michaelheartbound99@hotmail.com

Salt Lake City, Utah

Education

Salt Lake Community College

2014-2015

I spent two years in undergraduate semesters with course work in Welding tech where I learned advanced welding techniques and processes.

Brighton High School

2011-2014

Graduated with a 3.6 GPA

I took skills and career technology courses for welding at the Canyon Technical Education Center where I learned welding processes and techniques. I also became state certified in welding technology while in this program.

Experience

Dominion Diagnostics

04/2014-Present

801-450-6381

Working at this company I managed specimen collections for the whole outpatient program and frequently worked with insurance companies for billing purposes as well. I was the sole representative for this company at the Salt Lake Behavioral Health hospital and almost always worked alone. Most days I spend my lunch working at another hospital where I train and assist my coworkers.
